

THE TIFFIN SCHOOL GYM NEEDS HELP TO GET FIT FOR THE FUTURE

TIFFIN SCHOOL GYM APPEAL 2019 FUNDRAISING TARGET £200,000

Tiffin School counts great sportsmen among its prestigious alumni, but it is not just the sporting greats who benefit from good school sports facilities, all students do. We are now fundraising to complete an extension to the School's Sports Hall to house a new gym, new fitness studio spaces and new changing facilities. The modern, self-sustaining facilities will enable current and future Tiffinians to achieve their potential.

Our existing gym was built over 60 years ago and is now woefully inadequate for the number of students we have, the variety of sports we offer and the level of fitness we would like our students to achieve. Sport, whether athletics, cricket, rowing or rugby, is central to the offering at Tiffin School and we believe that our students need and deserve a sports centre with the full range of modern facilities.

After much preliminary work, the School has secured a government grant of £1.9 million towards the cost of the planned works. The opportunity to demolish the existing gym/weights room and build and equip a two-storey state-of-the-art extension to the School's Sports Hall is now real.

We are now seeking your help to raise the final £200,000 needed to finish and equip the new gym and sports facilities. Your financial support is critical to enable us to achieve this.

With your continuing support, we are delivering some of the best state education in this country. So please give what you can - every pound really will make a difference.

A MESSAGE FROM ALEC STEWART OBE

I feel very lucky to have the opportunity to contribute to a project that will make a big difference to current and future Tiffin students.

Others in the past helped me through their generosity. Their gifts made possible the purchase of Gristis, the cricket nets and all the other facilities that were such an integral part of my experiences at Tiffin School. In the same way, these new gym facilities will become an integral part of the students' experience at the School.

I am proud to do my bit in giving back a little of what I have gained through Tiffin School and to leave a permanent record of that gratitude.

Alec Stewart
Surrey CCC Director of Cricket
Tiffin School Student 1974-1980
Former England and Surrey CCC Captain

NOW, THAT
LOOKS
MUCH MORE LIKE IT

THIS WOULD
GET US INTO
SHAPE

- a new gym
- 3 new fitness studios
- brand new changing facilities
- state-of-the-art equipment
